

Pupil Premium 2017-2018

Students placed at the Phoenix Academy do not generally get allocated Student Premium funds even if they are 'Looked After'.

Guidance from Somerset Education has advised that only in exceptional circumstances will a Student Premium be allocated. It is expected that all resources needed to ensure effective education for each Student will be included in the overall fee quoted at the start of the placement.

During the Spring Term 2017 Student Premium was agreed for one Student to attend Equine Therapy. This funding came to an end once the term had finished.
